

## Job title

Journeyman Automotive Service Technician

## Reports To

Equipment Superintendent

## About Duz Cho Group of Companies

We are a proudly Indigenous owned company, best known for our focus on consistently delivering industrial expertise to natural resource projects within our Traditional Territory and beyond. We operate our businesses to provide sustainable employment to support our community, and to earn respect from our key stakeholders.

## About the Role

We are currently seeking a Journeyman Automotive Service Technician to join our team. The successful applicant must be focused, driven and able to work in a team environment or independently. Be self-motivated and have a genuine desire to get the job done in a professional, safe/efficient, and accurate manner.

## Duties

- Inspecting, troubleshooting, and repair fleet vehicles.
- Performing routine preventative maintenance tasks for Duz Cho's truck fleet and auxiliary equipment fleet; including oil changes, breaks, tire rotations, inspections, etc.
- Diagnose and repair mechanical issues with vehicles and equipment.
- Conduct thorough inspections to identify potential problems or hazards.
- Recommend repairs as required, warranty repairs as per specifications.
- Maintain high quality of workmanship, maintain tools, equipment, and shop, and diagnose problems using proper procedures.
- Perform work as outlined on work orders.
- Must be able to compile a detailed list of repairs and service that the vehicle would require.
- Collaborate with team members to ensure timely completion of work orders.
- Maintain cleanliness and organization of shop.
- Checking and repairing the brake, electrical, and hydraulic systems.
- Testing all systems and equipment for performance issues.
- Complete work orders.
- Participate in all required Health & Safety Training.
- Comply with the Health & Safety program and practices.
- Performance of daily duties in a manner conducive to a safe workplace.
- Maintain good housekeeping.
- Always maintain a professional company image.
- Meet requirements of Field Level Hazard and Job Hazard assessments

## Qualifications & Skills

- Journeyman Automotive Service Technician Red Seal ticket considered an asset.
- Experience working on a wide variety of vehicles and machinery considered an asset.
- Strong knowledge of automotive systems and components.
- Proficiency in using diagnostic tools and equipment.
- Excellent problem-solving skills, attention to detail and ability to follow instructions.
- Strong communication skills to effectively communicate with team members.
- Ability to work independently as well as in a team environment.
- Class 5 Driver License with clear drivers abstract.

## Schedule

- Full-time position with a 7 on 7 off rotation, working 12-hour shifts.

## Wages

- Overtime compensation for any hours worked beyond 8 hours daily.
- Comprehensive benefits package available after three months of employment.
- Hourly wage based on experience, ranging from \$45 per hour to \$50 per hour.
